

PROCLAMATION BY THE GOVERNOR, VETOING AND
DISAPPROVING HOUSE BILL NO. 776.

TO THE HONORABLE SECRETARY OF STATE:

This is to advise that I have this 5th day of April, A. D. 1917, officially disapproved and vetoed House Bill Number 776, passed by the Thirty-fifth Legislature of Texas, same being an act to amend an act creating the Meridian Independent School District of Bosque County, my objections being:

This bill includes territory fully eight miles away from the town of Meridian where said school is located, and would preclude the possibility of having a good country school in territory now badly needed. The bill is, therefore, disapproved and vetoed.

Geo. E. Ferguson
Governor of Texas.
